Statement of Gratitude

Perhaps you sent a lovely card;
Or sat quietly in a chair;
Perhaps you sent a floral piece,
If so, we saw it there.
Perhaps you were not there at all,
Just thought of us that day,
Whatever you did to console our hearts,
We thank you dearly, whatever the part.

“A LOVING TRIBUTE”

In the passing of Drusilla Alicia Johnson, our family has lost a loving daughter, sister, aunt, niece, and cousin. Our community has lost a respectable citizen, and our church, a faithful and dedicated servant.

Drusilla Alicia Johnson was born February 21, 1949, in Los Angeles, California, the second of five children. She attended the public schools in the Los Angeles Unified School District, attending Gompers Junior High School and graduating from Manual Arts High School. She attended Los Angeles Southwest College where she pursued a degree in Nursing.

Drusilla worked for the Los Angeles County Hospital system for eighteen years, the last five years being spent at the Martin Luther King, Jr. General Hospital.

Throughout her adulthood her adaptability during difficult circumstances was the foundation upon which her immediate family survived. Drusilla was a lovable character, a person everyone chose to have as a friend and an individual willing to be a friend to all. She never pushed herself forward, but always stayed in the background working and praying and doing whatever she was called upon to do for the Master. Drusilla had received Christ and was baptized early in life. She took her place at the Palm Lane Church of God In Christ where she worked faithfully for many years.

It was the setting of the sun, a day ended, a lifetime of service done—on Saturday, April 27, 1985, that Drusilla was called from earth to Heaven's reward. A life lived as Drusilla lived cannot die, but will live on in the hearts and memories and ideals of all those who knew and loved her.

She leaves to cherish her memory: a loving mother and father, Alberta and Johnnie Alonzo; one sister, Janice Saleem; three brothers, Allen French, Virgus Hunt and Clarence Alonzo, all of Los Angeles; five aunts, Sadie Bell Rider, Elizabeth F. Boswell, Freddie Pearl Fisher, all of Los Angeles; Katherine Jones of Detroit, Michigan, and Irma Woods of Gulf Port, Mississippi; three uncles, Joseph and Fred French of Los Angeles and John Williams of Houston, Texas; and a host of nieces, nephews, relatives and friends.
